

STATKING Consulting Expands Headquarters, Purchasing an additional 1000 square feet of office space.

Cincinnati, OH – October 19, 2007 – STATKING Consulting, Inc., a provider of statistical and data related services for clinical trials, has expanded its headquarters for the second time in the past three years, to accommodate its growing business and staff. This additional 1000 square feet of space will be largely used for offices for management staff.

“Our business continues to grow as we reach out to new markets and continue to add new services” said Dennis W. King, PhD, President of STATKING Consulting, Inc.

The new space will accommodate areas for executive offices as well as other office space for staff expansion. This new space will expand STATKING’s ability to serve its target market of US small and midsize pharmaceutical, biotech and medical device companies.

About STATKING Consulting, Inc.

Since 1989, STATKING Consulting, Inc., has provided data related services (biostatistics, clinical data management, clinical study monitoring, medical writing, project management and clinical trial management) for clinical trials for the regulatory approval of novel drug and medical device products. The company is headquartered in Fairfield, OH. The company has provided support on over 250 clinical trials in a variety of drug and medical therapeutic areas.
