

FOR IMMEDIATE RELEASE:

STATKING Statistician Receives Professional Accreditation

Cincinnati, OH – May 17, 2011 – Dennis W. King, PhD, President and CEO of STATKING Clinical Services, has received Professional Accreditation from the American Statistical Association. Dr. King's credentials were reviewed by a committee of statistician peers and he was deemed to be qualified to receive Professional Accreditation based on the guidelines set by the American Statistical Association. This newly created accreditation provides recognition that the statistician has statistical training and knowledge, has experience in applying that expertise competently, maintains appropriate professional development, agrees to abide by ethical standards of practice, and is able to communicate effectively.

About STATKING Clinical Services

STATKING Clinical Services provides clinical trial services (biostatistics, clinical data management, clinical study monitoring, medical writing, safety reporting, project management and clinical trial management) for clinical trials for the regulatory approval of novel drug and medical device products. The company is headquartered in Fairfield, OH. The company has provided support on 12 NDAs and 13 PMAs over the past two decades of service to the pharmaceutical and medical device industries.
