

FOR IMMEDIATE RELEASE:

STATKING Is Now STATKING Clinical Services

Cincinnati, OH – March 30, 2011 – STATKING Consulting, Inc., a provider of clinical trials services, will now be known as **STATKING Clinical Services**. This rebranding of the STATKING name is the final step in the path for the company's conversion from a statistical consulting business to a full service Contract Research Organization (CRO). Over the past 22 years of service to the pharmaceutical and medical device industries, STATKING has expanded service offerings and employee expertise to fulfill more needs of the emerging pharmaceutical and medical device community that it serves.

About STATKING Clinical Services

STATKING Clinical Services provides clinical trial services (biostatistics, clinical data management, clinical study monitoring, medical writing, safety reporting, project management and clinical trial management) for clinical trials for the regulatory approval of novel drug and medical device products. The company is headquartered in Fairfield, OH. The company has provided support on 12 NDAs and 13 PMAs over the past two decades of service to the pharmaceutical and medical device industries.
